

# MultiModes

## Engineering

**Webinar:** SimWalk Pro

**Format:** 45 minute presentation, 15 minute Q&A

**Presenters:** Sagar R. Sonar, MultiModes Engineering and Alex Schmid, Savannah Simulations

### **DRAFT AGENDA**

I. Introduction

II. SimWalk in a Nutshell

III. How does SimWalk PRO work?  
1. Importing the simulation plan  
2. Pedestrians and behavior  
3. Conducting simulation studies  
4. Analysis of simulation results

IV. Analysis features

V. 3D visualization

VI. SimWalk Algorithm and Performance

VII. SimWalk Express

VIII. Examples

IX. Future Developments

X. SimWalk Clients

XI. Sales and Contact

XII. Future Webinars

XIII. Questions
